

## Enjoying the Community

Notes from meeting held on  
2<sup>nd</sup> June 2010

### **Open event.**

This work group will be responsible for the running of the open event on the 25<sup>th</sup> August from 10.00-12.30 in the Kennet Room at the Civic Centre in Reading.

We agreed it would be good to ask Step Up if they could come along and tell everyone what they have been doing or even run the event on the day. We will ask them and see what they say.

Before the open event, Talkback will be running a meeting about what it is like being part of your local community including what we mean by community, how people use the community and how they get around to different places.

They will also look at keeping safe. We will feedback what people have said to the Partnership.
